Foster Grandparents Observe MLK Day of Service

MOVRC Foster Grandparent volunteers recognized school administrators, teachers, and school support staff in our service with a token of appreciation in honor of MLK Day 2019. Dr. Martin Luther King, Jr. devoted his life to equality, social justice, economic advancement, and opportunity for all. He challenged us to build a more perfect union and taught us that everyone has a role to play in making America what it ought to be. Dr. King recognized the power of service. He famously said, "Everyone can be great because everybody can serve."

If you didn't get a chance to volunteer on MLK Day of Service, that's okay.

Thousands of organizations around the country are looking for help year round. Search today for volunteer opportunities and get connected to an organization near you.
