RURAL AND SMALL SYSTEMS SUSTAINABLE UTILITY MANAGEMENT WORKSHOP

You are invited to participate and encourage by MOVRC to attend a **FREE** workshop about the sustainable management of rural and small utilities. This interactive workshop will focus on ten key management areas of effectively managed utilities, which make up a framework for a complete and well-rounded management approach. By making operational improvements in any of these areas, your utility will be able to deliver increasingly efficient, higher quality services to your community.

Upon completion of the workshop, you will receive six continuing education hours (6 CEHs) to apply towards your certification's continuing education requirements.

Meet Helen Ice. She is a Foster Grandparent in Lewis County at Peterson Central Elementary. She is also a volunteer for her local United Way and works closely with the Director there. Helen unselfishly volunteers her time throughout the year. She has been known to hand make each child in her school a Christmas gift!

“She is awesome!!! Don’t know what we would do without her. The kids ask every Monday, “Where is Grandma?” She spoils them, loves them, help them and gives hugs when needed. She is my sidekick and I love her!”

BY Lisa Arnold, Teacher, Peterson Central Elementary

Leadership Summit

Senior Corps staff attend- ed the 2019 West Virginia Nonprofit Leadership Summit in Charleston September 25-26, 2019.
